**What are the primary objective(s) or goals of this program? Please distinguish between the long-term mission of the program and the current annual objectives of the program. (The goals or objectives should be in terms that can be quantified, evaluated and assessed.) (MAX 3500 characters)**

The program's goals and objectives are to: ensure schools are safe, healthy places with environments that are conducive for learning and to maintain or increase the number of guidance counselors, nurses and or school resource officers in middle/junior high schools. The mission is to fund a school nurse, guidance counselor, and/or SRO in each middle/junior high school to support the goals/objectives of the program.

**In the prior fiscal year, what primary program activities or processes were conducted to facilitate the program's performance in reaching the objective(s) as provided in question 7? What, if any, change in processes or activities are planned for the current fiscal year? (Examples of program processes would be: training provided, recruiting efforts made, technical assistance services, monitoring services, etc. Answers should be specific to the process undertaken at the state level to support the objectives of the program and should be quantifiable Please include any professional development services provided.)(MAX: 5000 characters)**

We supported the SROs with 20 scholarships to their annual SRO conference. Provided training to guidance counselors through inservice and staff development training. Provided specific training for SROs, guidance counselors and school nurses at the Drugs of Abuse conferece. Also, provided training through the Law Enforcement Coordinating Committee (LECC) conference to SROs and guidance counselors.

**In the prior fiscal year and using the most recent data available, what were the direct products and services (outputs) delivered by this program? (Examples of program outputs would be: number of teachers attending professional development seminars, number of AP exams given and students taking AP classes, number of students served in the program, etc.)(MAX: 5000 characters)**

Yes, there is a consistent method of assessing this program. Data is gathered on violent criminal offenses to determine if a school is persistently dangerous/or at risk of becoming a persistently dangerous schools; measuring the number of school guidance counselors, school nurses and or the SROs in the middle/junior high schools.

**What are the outcomes or results of this program? (Program outcomes can be both quantitative and qualitative and should address the program's objectives. Please use the most recent data available. Examples of outcomes would be: results of surveys, test data, increase in minority participation, reduction in achievement gaps, teacher loans awarded, textbooks purchased, etc.)(MAX: 5000 characters)**

To track the success of this program we measure if the number of school guidance counselors continue to increase from year to year and we continue to not have any schools designated as a Persistently Dangerous School (PDS) or at risk of becoming a PDS.
